Edgcomb Has Old Land Grant

Former Justice Ernest I. Edgcomb as executor of the will of Mrs. Mary Kellogg Robinson of Skaneateles, has in his possession a rare document, a military land grant signed by George Clinton, first governor of New York state. The grant of 1,200 acres of land in the towns of Virgil and Camillus in Montgomery county—from which Onondaga county was set apart—was issued July 9, 1790, and was approved Sept. 7, 1793. the grant having been made to Lieut. Michael Wetzell, soldier of the revolution.

Justice Edgcomb also has as part of Mrs. Robinson's belongings a book of written court rules for a term of court held at Onondaga Hill, the court having been convened Sept. 4, 1807.

Wood, Reuben 1822-1884

From Syra. Daily Courier, Feb. 8, 1897, p. 4, col. 4

When Joe Jefferson was playing in Syracuse in 1865 he wished to fish the trout streams in Onon. Co. and secured the "cooperation and pilotage" of the late Reuben Wood, who was the Isaac Walton of Onon. Co. They went to Halfway, a station west of the city on the Auburn R.R... where J. J. had a successful day bringing home a heaped up basket of trout. The friendship formed that day between J. J. and R. Wood lasted until the death of the latter. When Mr. Wood contested for the flycasting prize at the annual convention of the

New York State Game and Fish Asso. at Brooklyn
he used Mr. Jefferson's trout pole loaned him
for the occasion and won the first prize with it
